

LOCAL GOVERNMENT EMPLOYEE-MANAGEMENT RELATIONS BOARD

TAHOE DOUGLAS FIREFIGHTERS
ASSOCIATION,

Appellant,

vs.

LAKE TAHOE FIRE PROTECTION
DISTRICT,

Respondent.

Case No. A1-045291

ORDER DENYING STAY

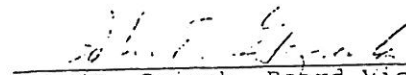

The respondent has requested that we enter an order staying our decision pending judicial review thereof. Appellant has objected to any such stay. NRS 233B.140(1) provides that an administrative agency may grant a stay pending judicial review; the language is permissive and not mandatory.

In our Order Granting Summary Judgment we unanimously found that the appellant had complied with the provisions of NRS 286.160(1)(a), (b) and (c) and was entitled to recognition as an employee organization as provided in that statutory subsection. We find no basis for staying that determination. It is therefore

ORDERED that the request for a stay of our decision is denied.

Dated this 2nd day of December, 1975.
